August 16, 2023

The certificate of conformity is based on an evaluation of a sample of the above-mentioned product. Technical report and documentation are at the applicant's disposal. This is to certify that the tested sample is in conformity with the principal elements of the safety objectives as set out in Schedule 1 to Electrical Equipment (Safety) Regulations 2016, The certificate does not imply assessment of the production and does not permit the use of Lab's logo.

Remark: The UKCA Marking may be used only if all relevant and effective regulations are complied with.
